YES, COPIES ARE AVAILABLE

Dear Friends,

We are often asked about copies of some of various memorial items. Attached to this letter is a brief price list which covers some of them. We are always adding new things, so if you want something you don't see, please don't hesitate to ask. Sometimes our forms can't keep up with our imaginations!

Everything we do is personal and original for each family we serve. What we do is also usually done in "turn-around-time" that is often 24-48 hours. Although we strive to provide high quality pictures, music, memorial displays and scrap books, we know that you may see some things you would like to change before we make a copy for you. We are happy to make changes and improvements. Depending on the nature and extent, some editing charges may be necessary.

In setting prices for duplicates, we strive to be reasonable yet be able to support the technology and "people power" required to do a good job. Depending on your request, it may be necessary to talk things over, so we invite you to just call. Our main number (630) 365-6414 is answered 24hrs a day but responding to memorial orders usually happens best during normal business hours. You may place your order directly with Janet, our office manager. For special needs or certain products, Janet may also connect you with Tigger, Karen or another member of our creative staff.

When someone dies, we believe that "Memories are the things you keep..." and part of our mission is to help you keep them. Beyond all else, thank you for sharing the life of your loved one with us. All of us, in uniquely personal ways, are moved by the things we experience with those we serve. That "connection" touches and sometimes even changes our lives. Thank you for the privilege.

Sincerely,

Bruce H. Conley and "Family"
